

POOL COVER LITTORAL

To lock the pool cover it can be equipped with a padlock. The pool cover Littoral is approved according to the French standard NF P 90-308. France has come further than any other country in Europe, as far as statutory demands for a safe pool environment are concerned.

The following sizes are available:

- Item no. 412811 Pool cover 3.5x6.5m, blue
- Item no. 412812 Pool cover 4.0x7.5m, blue
- Item no. 412813 Pool cover 4.5x8.5m, blue
- Item no. 412814 Pool cover 5.5x10.5m, blue
- Item no. 412819 Overlap for straight pool stairs. Item no. 15585000.

- **Heat insulation** - Saves energy and retains heat.
- **Lockable** - High safety, prevents unauthorized people from opening the pool cover.
- **User-friendly** - The cover is easy to take off and put in place using a manual winch with comfortable gearing.
- **Rails equipped with wear protection** - Counteracts wear of the cover and pool coping.
- **Equipped with stainless steel tensioners and fasteners** - Prevents children from lifting off the cover.
- **Easy to install** - Only the attachment points are fitted to the pool deck.
- **Overlap for stairs** - For covering of the straight pool stairs.
